

Notice relating to the Personal Data (Privacy) Ordinance

- (a) This Notice should be read together with our Privacy Policy Statement, which sets out the privacy policies and practices of RD Technologies (including all our group companies, other affiliates and their respective successors and assigns, collectively, "**Group**" and "**we**", "**our**" or "**us**" shall be construed accordingly) in relation to the personal data we handle.
- (b) In this Notice, "**personal data**" means any data (i) relating directly or indirectly to a living individual, (ii) from which it is practicable for the identity of the individual to be directly or indirectly ascertained; and (iii) in a form in which access to or processing of the data is practicable.
- (c) We may collect the personal data of individuals ("**you**" or "**your**") in connection with the purposes set out in this Notice. You may be an individual relating to a corporate or other entity interested in our business, offers, products and/or services.
- (d) The information collected from you via the "Contact Us" function will, where appropriate, be referred to our relevant department for follow-up action. We will retain the information collected from you through this website only for the period necessary to complete any follow-up action.
- (e) No information we receive from you will be disclosed by us to any party outside us in a form that would identify you, except for the purposes permitted under the Personal Data (Privacy) Ordinance, such as the prevention or detection of crime.
- (f) You have rights to request access to and make correction of information about you held by us. If you wish to exercise these rights, please send your requests, by post or by email, for access to personal data or make correction of personal data or for information regarding policies and practices and kinds of personal data held to:
